Dear **Amadou!**

Thank-you for your application to the School of Graduate Studies at the University of New Brunswick. We appreciate your interest in our programs and have reviewed your file thoroughly and carefully. Unfortunately we are not able to offer you admission at this time.

We receive many applications from highly qualified applicants, and admissions are highly competitive. As a result, we are not always able to offer admission to applicants who may meet, or even exceed, minimum entrance requirements. We are sorry not to have better news but we wish you the best with your plans for the future.

Sincerely,
